### **2022 Webster County Hardwood Duals Wrestling Tournament** **Dates: December 16-17, 2022**

Wrestling coaches,

I hope your wrestling season has gotten off to a good start. We are excited to be hosting the Hardwood Duals again this year at Webster County High School. Our limit is 12 teams.

Three mats will be used. There will be three round robin duals competitions on Friday, with champions wrestling other champions, runners-up wrestling other runners-up, and thirds versus thirds. This will give everyone five matches on Friday. Friday will be duals teams wrestling to determine Saturday's double elimination segment. JV wrestlers will be placed on teams that have empty slots. As well as many of these JV wrestlers will be entered as non-scorers into the bracket on Saturday.

On Friday, weigh-in will be from 11:00 am with wrestling beginning around 1:00 pm until we finish.

On Saturday, weigh-in will be from 11:00 am with wrestling beginning around 12:45-1:00 pm until finish. Seeding meeting will start at 12 noon sharp.

Entry fee: \$175

We can be contacted at the school phone (304) 226-5772. You can ask for Marty Miller or Allen Boyce.

Good luck this season,
